**To our dear friends of the
Bournemouth Jazz Orchestra.**

Thank you once again for your support of the orchestra throughout 2016. To date, the band, as well as your generosity, has raised at concerts, over ten thousand pounds since its present set up. We thank you, and hope we can count on your continued support throughout 2017.

The two dates we have confirmed so far are:

Monday 13th February the Allendale Centre, Wimborne. This is our annual concert for Wimborne Rotary, and this year, as well as raising money for local causes, half the proceeds will be going to the Centre for Wessex Young Musicians. If you would like free tickets for this concert, please email myself or Beverley Williams on tonywaller1@yahoo.co.uk by **4th February** stating your name and how many tickets you would like - maximum of 4 per person. **These tickets are to be collected on the night before 7.00pm.** The concert starts at 7.30pm.

Our other confirmed concert is our annual visit to the **Victoria School, Lindsay Road, Westbourne on Monday 6th March.** This year we raised over one thousand pounds for the school, so let us see if we can do better! Please invite as many friends as possible to this free evening of **'Big Band Number Ones'**. The concert starts at 7.30pm

All the members of the BJO, secretary Beverley Williams and myself would like to wish you the very best for the Festive Season and a lovely 2017.

Have a 'Cool Yule!'
Tony x
